

December 6, 2017

Dear Guest,

We look forward to welcoming you aboard your 14-Night Chile and Argentina Cruise departing from Chile on January 06, 2019, but first we have some important information to share with you.

We have experienced significant issues with the container port in Valparaíso, particularly with labor interruptions that have increased in the past three years. These interruptions continue to cause docking delays that affect ship schedules and impact guests' travel plans. Also, Valparaíso Port Authority and Terminal Operator have changed their dock booking policy and cannot guarantee docking times scheduled in advance of three months.

So, in an effort to ensure that you have the best experience on your vacation, we've changed your departure port from Valparaíso, Chile to the stunning seaside town of San Antonio, Chile. San Antonio has a dedicated cruise ship pier and guest terminal that will make getting on your ship as carefree as your vacation.

If you've booked transfers with us from the airport in Santiago to the ship, there's nothing you need to do. We'll take you directly from the airport to the ship in San Antonio. If you've booked transfers independently, please contact the company you've arranged your transportation with and have them take you to San Antonio instead of Valparaíso.

Your ship will now depart from San Antonio, Chile at the same scheduled time – 6:00 p.m. on Sunday, January 06, 2019. For your convenience, we've included your current itinerary and your newly revised itinerary below.
